Hi all,

Attached is the technical directive for the new call center process. They're hoping to get it up in the next 2 days – will be in touch on details.

Good afternoon, all:

After making revisions based on the comments you've shared, I have sent the attached technical directive to our contractor. Once they have had a chance to read and absorb it, we will organize a call for all involved in the next day or two.

Please feel free to be in touch if you have any questions about the attached technical directive or the process.

Best,

Gina Cerasani
